

# FLAWLESS SERUM

FIRMING LIFT PEPTIDE COMPLEX

pH 4.17

## SKIN TYPES

All

## SKIN CONDITIONS

Mature, Sun Damaged, Hyperpigmented, Acneic, Mottled Texture, Sensitive and Rosacea Prone

## PRODUCT OVERVIEW

Flawless Serum offers all the benefits of traditional Retinol and Vitamin A creams without the usual negative side effects of sensitivity, redness, drying, peeling and irritation. It is indicated for both day and night use as the active ingredients do not cause sun sensitivity. Flawless Serum is an essential anti-aging product which is designed to be cocktailed synergistically to achieve optimal results.

## KEY ACTIVES

## BENEFITS

Santalum Album Extract,  
Phollodendrom Amurense Bark  
Extract, Hordeum Distichon  
Extract

Reduces Trans Epidermal Water Loss (TEWL)  
Barrier function protector

Phollodendrom Amurense

Gives a retinoid action without the negative side effects (sensitivity, redness and irritation), improves texture of the skin, diminishes appearance of lines and wrinkles, reduces inflammation, regulates sebum production, thickens the epidermis while decreasing the thickness and lessens scarring

Carageenan

Provides a non-oily moisture barrier. Offers 3x better skin hydration than hyaluronic acid

## INGREDIENTS
