

ANTIOXIDANT C SERUM

DAILY VITAMIN C COMPLEX

pH 3.5

SKIN TYPES

All

SKIN CONDITIONS

Mature, Sun Damaged, Hyperpigmented, Sensitive, Rosacea and Oily/Problematic

PRODUCT OVERVIEW

This potent serum contains the most stable, penetrating and effective form of Vitamin C. In addition, we've added anti-inflammatory and anti-irritating ingredients to soothe the skin. The formulation addresses wrinkles, collagen production, cell renewal and oiliness. Antioxidant C Serum is an essential anti-aging product which is designed to be cocktailed synergistically to achieve optimal results.

KEY ACTIVES

BENEFITS

Tetrahexyldecyl Ascorbate

The most stable, potent and penetrating form of Vitamin C. It brightens the skin and pigment spots. A main component in supporting collagen proliferation and synthesis

Crithmum Maritimum

Gives a retinoid action without the negative side effects (sensitivity, redness and irritation), improves skin texture, diminishes appearance of lines and wrinkles, reduces inflammation, regulates sebum production, thickens the epidermis while decreasing the thickness of the stratum corneum and lessens scarring

Ergothioneine

Amino acid with antioxidant properties that prevents oxidative stress. It also supports Vitamin C

INGREDIENTS

Water, Cetearyl Olivat, Sorbitan Olivat, Glycerine (Vegetable), Menyanthes Trifolia Leaf Extract, Ergothioneine, Caprylic/Capric Triglyceride, Hydrogenated Vegetable Oil, Crithmum Maritimum (Sea Fennel) Extract, Aloe Barbadensis Leaf Juice, Persea Gratissima (Avocado) Oil, Tetrahexyldecyl Ascorbate, Xanthan Gum, Phenoxyethanol, Capryloyl Glycine, Undecylenoyl Glycine, Citrus Aurantium (Orange) Oil, Cymbopogon Citratus (Lemon Grass) Oil, Sesamum Indicum (Sesame Seed) Oil, Squalane (Olive), Epilobium Angustifolium (Canadian Willowherb) Flower/Leaf/Stem Extract

DIRECTIONS FOR USE

Cocktail 1-2 pumps with equal amounts of serums. Massage gently into the face and neck and even the back of hands. To be used both AM and PM. Follow with moisturizer.
