

# AQUAEFFECT SERUM

## LIGHT HYDRATING COMPLEX

pH 4.7

### SKIN TYPES

All

### SKIN CONDITIONS

Mature, Oily, Acneic, Rosacea, Redness/Irritation, Inflammation and Post Treatment

### PRODUCT OVERVIEW

This is an oil-free hydrating gel which provides moisture while cooling and soothing irritated and inflamed skin. The ingredients provide an invisible lipid barrier to boost the skin's natural defense from the harsh elements. Tomato and barley extracts work together to minimize redness and irritation, whether from stressed skin or a treatment. Aquaeffect Serum is an essential product which is designed to be cocktailed synergistically to achieve optimal results

### KEY ACTIVES

### BENEFITS

Glycosaminoglycans

Active proteins inhibit damaging enzymes and help to reduce the symptoms of rosacea, redness and irritation

Epilobium Angustifolium

Soothing and anti-inflammatory, helps to reduce. Extract redness and irritation and is also a free radical scavenger

Arnica Montana Extract

A known anti-inflammatory and anti-irritant which is soothing and promotes healing

### INGREDIENTS

Water, Aloe Barbadensis Leaf Juice, Glycosaminoglycans, Hordium Vulgare Extract, Solanium Lycopersicum Extract, Carageenan, Sodium Chloride, Sodium Hyaluronate, Xanthan Gum, Phenoxyethanol, Undecylenoyl Glycine, Capryloyl Glycine, Arnica Montana Flower Extract, Epilobium Angustifolium Extract, Santalum Album Extract, Phellodendron Amurense Bark Extract, Caprylic/Capric Triglycerides, Salicornia Herbacea Extract, Citrus Aurantium Dulcis Peel Oil, Cymbopogon Citratus Leaf Oil, Sesamum Indicum Seed Oil
